A NOTE FOR OUR BUSINESS PARTNERS:

AASPA's Clinics are 100% Educational

The purpose of AASPA's clinics at the annual conference is to educate and give attendees ideas to take back and implement in their positions at schools across the globe. Our conference attendee evaluations indicate that attending a vendor presentation where the presentation is the selling of a product does not meet their expectations. Vendors have a wealth of knowledge to contribute and the approved presentations by our vendors must provide knowledge and expertise in the field without mentioning or pushing your product.

The following guidelines must be met to be accepted as a vendor:

1. Sign a statement that you will adhere to the guidelines
2. Present a knowledge based presentation on the general topic without mentioning your product or service
3. You may have contact information to distribute on your power point or in the form of one flyer or business card.

By submitting this presentation, you have consented to this policy.

PRESENTER ACKNOWLEDGMENT:

As a presenter, I understand that conference registration; travel and accommodations are my responsibility. AASPA is unable to offer honoraria. If I represent a business entity, I understand that I must have reserved an exhibit booth in order to be considered for a presentation.
